ITALIAN WINE MEANINGS:

IGT Indicazione Geografica Tipica (**IGT**): This designation was created a little after the DOC and DOCG designations in order to accommodate growers who couldn't meet all the DOC or DOCG regulations for one reason or another, but were still producing great **wines**.

DOC Denominazione di Origine Controllata

DOCG Denominazione di Origine Controllata e Garantita

They refer to government guarantees of the **wines'** origins. With DOC being of a strict standard and DOCG being an even stricter standard.
